5 Years Guarantee

Material: Mild Steel

The Reina Colona Horizontal Lacquer Radiator is a traditional column radiator finished in raw metal steel with a protective clear lacquer, for an industrial look that suits both period and modern homes. Made from durable mild steel, it comes in 2 or 3 column designs and a choice of widths, giving excellent heat output at a standard 600mm height. Suitable for central heating, electric or dual fuel use and heat pump compatible, it is tested to EN 442. Optional feet are available, and it comes with a 5-year guarantee.
