The Solara Electric Radiator is a stunning statement piece, featuring a unique vertical design that combines modern style with functionality. Its carefully crafted bars are perfect for hanging multiple towels, making it both practical and eye-catching. Made from premium stainless steel, the Solara delivers exceptional heat output and operates with simple on/off technology. Measuring 1500mm high and 400mm wide, it's perfectly sized to fit bathrooms or ensuites of all shapes and styles.
