5 Years Guarantee

Material: Mild Steel

The Harley Vertical Designer Radiator features a sleek flat-panel design, offering a clean and contemporary look that enhances any modern interior. Its tall, space-saving structure makes it ideal for maximising wall space while delivering efficient and consistent heat throughout the room. Available in Anthracite, Black, and White finishes, the Harley radiator complements a wide range of décor styles, from minimalist to bold design schemes. Supplied in both single and double panel options to suit different heat requirements, it combines style with practicality, providing a reliable and modern heating solution for everyday living.
